

Figaro Owners Club

Providing ownership support since 2009

Owning and driving a classic car that was built over 30 years ago can be a thrilling experience, but it also comes with its fair share of challenges. Joining our friendly little club provides a platform to meet and interact with other enthusiasts, allowing you to share tips and experiences, and even organise events to showcase your beloved Figaro.

Social events

The club publish over 25 events a year and joining other Figgy owners with our adorable little cars together creates a truly enchanting experience. Whether we are driving in a convoy, happily waving at onlookers, or simply sharing tales of our adventures, there is an undeniable magic in the air. The camaraderie and shared love for these unique vehicles create a sense of joy and unity among Figgy owners, making these gatherings truly special.

Owners online forum

With an impressive archive of over 30,000 posts, our forum has become the ultimate destination for both owners and garages seeking information on a wide range of topics related to the Figaro. The A-Z section makes it easy and quick to find what you're looking for. You can also ask questions and receive expert advice.

Advice and savings on insurance

Ensuring that your Figaro is correctly Insured is of utmost importance. Additionally, acquiring an agreed valuation certificate is crucial as it guarantees that in the unfortunate event of a claim, you will receive the full value of your car.
